School Advisory Commission

The St. Robert School Advisory Commission examines and evaluates the school's education offerings and policies with the purpose of providing a high quality education consistent with the mission of St. Robert School. The School Advisory Commission operates both as an originator of policy and an advisor to the Principal and Pastor. It is comprised of a chairman, a secretary and the chairmen of these seven standing committees:

- Budget and Finance
- Policy
- Education and Formation
- Marketing
- Environment
- Development
- Engagement

The members are either current school parents or parents of alumni. The Principal, the Pastor or his representative, a faculty representative and the school marketing director are ex-officio members. Liaisons from the Pastoral Council and the Home and School Association also participate.

The School Advisory Commission meets monthly, and agendas and minutes are posted on the school website. Non-members are welcome to attend any and all board and committee meetings and to contribute to the discussion of the issues on the agenda.
