

ST. ROBERT SCHOOL

Dear Middle School Parents,

Your child's productivity and ability to participate fully in class depends on reliable daily access to his or her device. We understand that technology isn't always dependable and that sometimes a device will fail.

In these instances, we will provide a daily loan from our laptop cart. Your signature on the form below will be required to access a loaned device. Logical consequences will apply for failures of personal responsibility (e.g., forgetting the device at home, forgetting to charge the device, etc.).

Thank you for supporting your child in learning to be productive and responsible!
