

ST. ROBERT SCHOOL

Mobile Hand-held Devices - Grades 2-5 2020-21 Registration and Waiver of Liability

Student _____

Grade _____

I give permission for my child to use a personal e-reader at school. I understand that the device must use the St. Robert wireless network and is subject to our Responsible Use Agreement (Parent and Student Handbook pp. 14-1 - 14-11) and the following additional restrictions:

- Personal devices may be used for reading only unless individually prescribed for other applications
- The device may be used under the supervision of a teacher in an instructional setting only
- The device may not be shared with other students
- The device must be stored in my child's desk, locker, or backpack when not in use
- Students may not purchase or download new content at school

I further understand that failure to adhere to these expectations will result in confiscation and progressive loss of privileges and that confiscated devices must be retrieved from the school office by a parent or guardian only.

Finally, I understand that St. Robert School assumes no liability for loss or damage to personal devices brought to school as optional instructional equipment.

I agree to review these expectations with my child and assure understanding before sending a device to school.
